Customer Proprietary Network Information Certification

I, Charles E. Richardson III of Momentum Telecom, Inc. ("Momentum") have firsthand knowledge of the procedures that Momentum has implemented to comply with the Federal Communications Commission's rules pertaining to safeguarding customer proprietary network information ("CPNI"). I certify that Momentum has established procedures that are adequate to comply with the Commission's CPNI rules set forth in section 64.2001 et seq. I relied on Attachment A in making this certification.

Attachment A

Momentum Telecom, Inc. ("Momentum") has established policies and procedures to comply with the Federal Communications Commission's ("FCC") rules pertaining to the use, disclosure, and access to customer proprietary network information ("CPNI") set forth in section 64.2001 et seq. Momentum has trained its employees in the use of CPNI.

In accordance with Momentum's policy, Momentum does not use CPNI for any marketing purpose other than to market services to customers within the same category of service to which they already subscribe. Momentum's non-marketing uses of a customer's CPNI are restricted to those permitted without prior approval of the customer, e.g., to render services and to bill for such services. Momentum sales personnel do not have access to CPNI. Momentum does not share CPNI with affiliates or third parties.
